CWC Chair - Javonna Earsom

In Oklahoma we have been blessed with a long spring, but the outdoor thermometer is telling us that summer is upon us. I hope you are all enjoying the summertime activities that your local climates afford.

This is the time of year when most of us are attending our society's annual conference. I had the opportunity to attend the Indiana Extension Homemakers Association's Conference in June. It was awesome to read and hear the reports on their projects and goals which are much the same as

my home society Oklahoma H.C.E. and yours. After all, as member societies of Country Women's Council, USA our objective is to be united in our belief that the quality of human life is improved through the relief of poverty, advancement of education, and relief of sickness with the protection and preservation of health.

That being said I hope that you will continue to encourage your members to be faithful in supporting the ACWW Project #1007. The project promotes indigenous rice and vegetable cultivation among marginal women farmers to prevent their migration to town. *(See the ACWW USA Area Presidents article)*

Plans are well underway for another outstanding CWC, USA – ACWW Area Conference to be hosted by Alabama Homemakers and Community Leaders. The 2017 meeting will be October 2nd, 3rd & 4th, in Huntsville, Alabama, at the Four Points by Sheraton Huntsville Airport Hotel. Detailed information, including the registration form, is available on the website (cwcusa.org) and can be found inside this issue. The 2018 CWC, USA Chairman and Treasurer will be introduced and the ACWW World President Ruth Shanks will be attending. I hope you will join us in Huntsville to welcome Ms. Shanks to the US.

ACWW USA AREA PRESIDENT - JO ALMOND

Greetings

There are a lot of things going on with Associated Country Women of the World (ACWW). In March 2017, ACWW hosted “International Women’s Day Networking Breakfast” in Central London. What a wonderful day. We had guest from Parliament, a number of Embassy’s and other NGO’s (non-governmental organizations). This breakfast meeting was to highlight ACWW and introduce plans for ACWW’s “International Survey on Rural Women’s”. The survey will be officially launch at CSW (Commission on the Status of Women) at the United Nations Headquarters in New York, March 2018. I will be giving you more information as time gets closer.

Those of you who are societies leaders and individual members should have received an e-letter from World President, Ruth Shanks recently. If not, lookout for the “Countrywomen” magazine. These two communications are announcing a new campaign, “Project Anniversary Appeal”. The appeal celebrates the 40 years since ACWW founded its Projects Committee. If you did not receive this email please let me know and I will forward it to you. It is important that we continue to give these people a ‘Hand Up NOT a Hand Out’. We must also remember that none of our work can be done without funds to ‘Enable’ us to administer the processes.

You all should have received an email from Central Office concerning the timeline for Triennial Conference information. If you can’t not locate the email, let me know and I will forward the information to you. These dates are very important for societies and individuals.

I have been very busy these last few months, I had the pleasure of attended. Illinois State Conference, Canada’s ACWW Area Conference in Ontario Canada, National Association for Family, Community and Education National conference in Omaha, Nebraska, National Volunteer Outreach Network conference in Raleigh, North Carolina and the Indiana Extension Homemakers Association, Indianapolis, IN. I was given the opportunity to promote Associated Country Women’s Council at each event.

Our Area Meeting, October 2-4 in Huntsville Alabama, is fast approaching. I hope you all are planning to attend. We will have the pleasure of hosting our World President, Ruth Shanks. She will bring us the most recent updates from ACWW.

We will be discussing ideas for new Resolutions or Recommendation’s to be presented at Triennial. I am hoping we will have a lively discussion on what is important and how we can better the world and our sisters around the world.

Our new “Friendship Link” representative for the United States is Patricia Weitzmann. Please contact her if you are interested in exploring new friends in other parts of our great world.

It is never too early to start saving for the next Triennial Conference. The conference will be held in 2019. We will be meeting in Melbourne, Australia, April 4-10. Hope you will consider attending. You learn so much and make friends that last a lifetime from all over the world.

Please let me know if I can help or promote ACWW with your society. I will be glad to visit if my calendar permits.

Thank you for your support of Associated Country Women of the World through all of your donations and support.

Renewed Interest in 'Friendship' Across the World

The Associated Country Women of the World has a wonderful opportunity for its members worldwide. It is connecting members through the Friendship Links program. It's not a new concept, not a new program, just a great opportunity enhanced by the expanded means of communication in our technology infused world. And, it is the renewed desire of ACWW to facilitate connection for its members on a more personal level.

Friendship Links may be better known to many as having a Pen Pal or a Pen Friend. I suspect a few of us, myself included, had a Pen Pal in our youth. Your pen pal could have been in another USA state or in another country. Having a Pen Friend is like seeing another world through a window not a book, the news media or surfing the internet. A pen friend is a person that can talk with you, answer questions from you and interact with you. You get to understand another culture from an insider's viewpoint. Similarities in values, interests, experiences, hopes, concerns, etc. may surprise you.

I am the newly appointed ACWW Friendship Links Coordinator for the USA. I have ACWW counterparts throughout the world. We encourage participation in the Friendship Links program, process applications from members to match them with a pen friend in another country, stay connected with ACWW Area Presidents, like our own Jo Almond, and keep ACWW societies informed about the program.

Thank you Debbie Czarnopys-White for your years of service as Friendship Links Coordinator in the USA and your encouragements to me.

Please consider becoming a Pen Friend with a woman who is a member of ACWW in another country. Maybe you would enjoy communicating with more than one pen friend. I am currently processing an application for a member in the USA that desires a pen friend in Europe and one in Canada. Write a letter, send an email, use social media, electronically communicate face to face, etc. You decide. Get excited when you get a postcard from a person in another country. There are plenty of ways to connect.

Did you know your society can form a Friendship Link with another ACWW society in the world? I can help you begin that process too.

Use the older version Pen Friend Application or the new one for 2017 that is making its way out to the ACWW societies in the USA. Or, just start with me. Questions? Comments? **Contact me please.**

There will be special places to see along the way.
