

Society Presidents,

You have received an email from ACWW Central Office (London). The email's header is "ACWW Elections" "Postal Ballot for....." This email is your "Postal Ballot" for ACWW USA Area President 2019-2022.

Please take the time to read it and vote. (This was only sent to the society president who sent in documentation that was sent to them before hand.)

This is very important.

In order for an individual to be elected through the postal vote one person has to receive 50% plus 1 of the total votes. If this is not obtained there will be a second vote using only the top two names at Triennial. Only the individuals who are attending will be able to vote if that happens. Please use your right to vote.

My home society has voted, they used the online link. It was very easy. (I would suggest using it) There are two other options if you would prefer to use them. READ the directions thoroughly and vote the way you wish.

The candidates are listed on the forms.

If your society is a category 1, there will 5 places to vote, a category 2 will have 2 places, and a Category 3 (umbrella, national society) will only have 1. It is due by March 20, 2019. I would suggest doing it now so you do not forget.
